CAREERSTREAMS RESOURCES INC.

PROFILE

CareerStreams Resources Inc. is a career counselling company specializing in Disability Management and Vocational Rehabilitation. CareerStreams Resources Inc. was founded in 1996 with the goal of assisting those seeking a career change to discover their TRUE POTENTIAL. Over the past 25 years, our experts at CareerStreams Resources Inc. have specialized in Disability Management and Vocational Rehabilitation and have mastered the Return-to-Work process.

We believe that Career Counselling is a vital first step for anyone contemplating an initial career direction, a mid-life career change, a change in occupation due to a disability or a return to work goal. Our battery of assessments examine which occupations best suit a client's abilities, interests and personality. We at CareerStreams Resources Inc. feel that by **INVESTING IN YOURSELF, YOU'RE INVESTING IN YOUR FUTURE!**

KEY STATISTICS

Years in Business: 25

When was CareerStreams Resources Inc. Founded: May 1996

Years of Combined Disability Management Experience: Our experts have over 40 years of combined experience.

Individuals Served: Over 5000 assisted over the past 25 years. Our clients have successfully returned to work post injury or have found meaningful employment after discovering their TRUE CAREER POTENTIAL!

PROGRAMS OFFERED

Integrated Coordinated Employee Retention Program (ICERP)

The ICERP was created by our experts to assist small businesses with their Human Resources needs through an integrated and coordinated process involving the medical community, Workplace Safety and Insurance Board (WSIB), insurance company, the employer, and the individual worker.

Post-Secondary Student Career Plan (PSSCP)

Our goal with the Post-Secondary Student Career Plan is to assist students to make an educated and thorough decision about their post-secondary endeavors. This program allows students to work with our career counsellors one-on-one to determine the best educational stream for their future.
